

BCPA Full Time Student Bursary – 2022

The BCPA will award up to two \$500 bursaries to help support active members attending post-secondary and in need of financial assistance. A bursary is a non-repayable award, and applicants must meet the requirements below and submit the required documentation to be eligible. Given that the minimum criteria are met, the BCPA Board of Directors will choose the recipient(s) of the award based on their application. We're looking for passionate and driven individuals who train hard and study harder.

Requirements for eligibility:

- Current BCPA member in good standing
- Competed in at least 2 BCPA competitions
- Achieved excellence in previous education
 - High school average of 79% or higher (if entering first year of post-secondary)
 - Post-secondary GPA of 3.30 or higher (if already completed some post-secondary)
- Enrolled full-time in an accredited post-secondary institution
- Have a need for financial assistance

Requirements for submission:

- Proof of BCPA membership
- Proof of full-time post-secondary enrollment (present or future)
- Proof of minimum grade average (79%) or minimum GPA (3.30) (transcript)
- A completed application form (see attached)
- A maximum 1 page essay covering the following:
 - Introduction of yourself and your situation
 - Explanation of your need for the award
 - Your education and career goals / prospects
 - Your involvement, accomplishments, and goals in powerlifting

Submission cut-off date: October 28, 2022.

The chosen applicant will be notified of the result on or around November 18, 2022.

Please email all required documents to registrar@bc-powerlifting.com.
